**BSA Medical Form (Parts A, B & C) must be up to date and submitted to the Troop by May 23. No Scout will be allowed to remain at camp without a complete, up to date BSA medical form approved by the Camp. If you normally have your Scout's annual physical in June, you can have the doctor's office sign a new Part C in May. The doctor's signing does not have to be done at the time of the physical. Late BSA Medical Forms are the biggest challenge for the Troop in coordinating Summer Camp. Thank you for your cooperation. You can drop off your medical forms at your doctor's office anytime and they will fill it out/sign it for you. Adults are also required to have an updated medical form on file if they plan on attending any portion of camp.**

If your family schedule conflicts with these weeks, you can consider signing up as Provisional another week at Hidden Valley or other BSA camps.

By returning this form, Scouts and families acknowledge that summer camp participants shall comply with the Scout Oath and Law and the rules and guidelines of BSA, Troop 702 and Council.
